COURSE OBJECTIVES At the completion of the webinar participants will be able to:

- ◆ Identify components of the vestibular system and what they activate in the body.
- ◆ Detail how to use the vestibular system to treat a cadre of delays and dysfunctions.
- ◆ Demonstrate techniques that can be used over Telehealth to work on the components of the vestibular system.
- ◆ Detail a repertoire of techniques to guide parents dealing with OT and PT delays and dysfunctions.

AGENDA

- 7:30 pm-8:00 pm Components and wherefores of the Vestibular system. Challenges Correlated with Vestibular dysfunction.
- 8:00 pm-8:30 pm Techniques for Therapists: Develop a repertoire of techniques to treat the vestibular system that can be used through Telehealth.
